Do you hold a valid operator's licence?

The Powered Access Licence (PAL) Card is recognised worldwide as proof of platform operator training to the highest standard.

It is issued by the International Powered Access Federation (IPAF) to platform operators who successfully complete a training course at an IPAF approved training centre.

Quick checklist for employers and operators using powered access machines:

- ✓ **I have an IPAF PAL card**
- ✓ **Date is still valid** (Licence expires after 5 years)
- ✓ **All categories for the machine's being used are listed on the PAL card** (e.g. 3a, 3b, PAV).

If you can answer yes to all three, you're good to go!
