- Hydraulic circuit with nonreturn valve
- Acoustic signal when lifting and lowering
- Spirit Level
- Battery charge indicator
- Lanyard attachment
- Forklift pockets
- Anti-climb basket with removable gates for emergency access

IPAF Category **PAV**

Do you hold a valid operator's licence?

The Powered Access Licence (PAL) Card is recognised worldwide as proof of platform operator training to the highest standard.

It is issued by the International Powered Access Federation (IPAF) to platform operators who successfully complete a training course at an IPAF approved training centre.

Quick checklist for employers and operators using powered access machines:

- ✓ I have an IPAF PAL card
- ✓ Date is still valid
(Licence expires after 5 years)
- ✓ All categories for the machine's being used are listed on the PAL card (e.g. 3a, 3b, PAV).

If you can answer yes to all three, you're good to go!

If not, please call us to discuss your requirements and arrange a training course.
